

Elysium En Terra Sales Policy

I strive to breed healthy and well-bred goats that are a good representation of the breed. No goat will be sold as “show quality.” Every goat has conformational strengths and weaknesses. Show ring success is strongly influenced by how the goat is managed and shown. A breeder has no control over those factors.

Kids are sold with registration papers for MDGA. I reserve the right to retain any kids born here. If I decide to keep a kid that has a deposit on it, I will put the deposit toward another kid or refund it.

MDGA Mini Dairy Goat base prices are figured by generations.
